Dear Jiang
Thanks for making the arrangements. It's basically looks very good.
However I still believe a visit to a leading hospital and an opportunity to talk to the Manager of such a hospital or to any other prominent player in public health will help Prof. Goldwasser and myself to better understand the opportunities and challenges.
Looking forward
Best

Dear Ehud,
I would like to propose the agenda for you and Professor Wasser's visit on Monday, Jan. 19 as follows:
Morning Session: 09:30 – 13:00, meeting with my team to introduce each other; (working lunch included)
Afternoon Session: United Imaging Company Tour or tour other places at your request;
Evening Session: Dinner reception and further discussion;
Please advise any thoughts you have to make your visit most productive.
All the best,
Mianheng
